I hope everyone had a wonderful Holiday Season! “HAPPY NEW YEAR” to all of our elected officials, employees, residents and businesses. The greatest gifts are from the heart. I am so grateful for each and every one of you. We would like to celebrate all of Vinita Park’s accomplishments for the year 2016. The City of Vinita Park received the “Culture of Health Community Award” from the Robert Woods Johnson Foundation in Princeton, NJ. This great award gives Vinita Park National attention. We also received “The Spirit of St. Louis Community Unity Leadership Award” from the Pneuma (Spirit) Center, Inc., “The Liberty and Freedom Award” from the Secretary of Defense for our support of the National Guard and Reserve Force, and “The Leadership Award” from the National League of Cities in Pittsburgh. Pa. The North County Police Cooperative now patrols several Cities and also works on their CALEA Accreditation. I would like to congratulate Alen Nyles Buckner for being the City of Vinita Park Most Beautiful Youth for 2016. Mr. Buckner is a junior student at Mary Institute Country Day School (MICDS). He participates in the Chess, Robotics Club and the Think Tank Balance Center Program of St. Louis. He is a member of the MICDS Varsity Cross Country and Track & Field Team. He is also a member of Boys Scouts of America (currently finishing requirement for becoming an Eagle Scout), the National Society of Black Engineers and the St. Louis NAACP Youth Group. He has performed community service activities for his church, All Saints Episcopal Church, Vinita Park, The Demaulier Johnson Foundation, and others.

Thank you for supporting our mission which is to develop, facilitate and deploy comprehensive and integrated strategies to help Vinita Park become a better place to live.

All of our elected officials, and residents, would like to welcome all Vinita Terrace residents as a part of Vinita Park. On November 8th, both cities voted to become consolidated as Vinita Park and we have started the transition process by looking at timelines for the following; contracts, bank statements, budgets, and moving the courts to St. Ann in May, with a full merger May 8th, 2017.

I appreciate your feedback from the City of Vinita Park Survey, as well as from the Mayor’s advisory committee, police review committee, safety committee and youth committee. We can make a difference together as we continue to increase our capacity, expertise and capital. We understand that our efforts are necessary as we work to serve all areas that make up a strong community; quality education, housing, health, employment readiness, and economic development. What are the expected outcomes from our activities and efforts?
- Short-term outcomes: Knowledge, attitude, skills. Residents have the knowledge, skills and motivation to improve their circumstances.
- Intermediate outcomes: Behavior change, residents have access to and utilize, comprehensive support and services allowing them to make choices that will improve their lives and Vinita Park.
- Long-term outcomes: change in condition as a result of the short- and intermediate outcomes. Vinita Park can attract and retain residents and businesses by providing quality housing, education, work, and other amenities to support a healthy and productive quality of life.

Our ultimate vision is that all of our residents have the support and services they need to create and sustain a strong community in which to live and work safely.

Our Police Department, Public Works Department, and all of our employees have given themselves to this community without condition. I am proud to work with employees who care about making this a better place for our residents. We’ve come a long way, but there is so much work left to do. We need your help in keeping our city clean, beautiful, and safe.

We need to stand together to keep moving forward. All of our elected officials and employees believe in building a stronger community, engaging in families, and success in children.

James W. McGee
Mayor/City Administrator

Seniors, and the entire City of Vinita Park

I hope you all had a blessed Christmas, and are ready to say goodbye to 2016 and say hello to 2017. It was so nice to see all of you Seniors who attended the Christmas Luncheon on December 15th, 2016. We enjoyed the food and had a great time.

I would like to thank all of you who took the time out to pray for me while I was in the hospital, and now recovering at home. May God bless all of you, and I hope and pray I will be able to do a lot of things with all of you during the New Year.

Seniors, I will try to plan something later in the New Year. I will let you know at a later date.
