The intermediate outcomes are behavioral change, residents having access to and utilizing comprehensive support and services allowing them to make choices that will improve their lives and the City of Vinita Park. The long-term outcomes are, changes in the condition as a result of the intermediate outcomes. YOUR ALDERMEN’S CORNER

Hello Vinita Park residents
Happy 4th of July
In honor of our Independence Day I would like to thank the men and women of our country for helping us stay free. I’m proud to be an American where at least I know I’m free. I will not forget about the men and women who died and gave that right to me. May God bless the United States of America?

Youth Day
Save the Date: Attention All youth the City of Vinita Park will be having its Annual Youth Day right after the 4th of July Parade beginning at 10:00am behind Vinita Park City Hall. There will be games prizes, basketball, clown, face painting, pony rides, and refreshments.

Happy Father’s Day to all of the fathers. I hope all of you had a wonderful day. The role of a father is to contribute to the growth and development of a child. A father’s role is to make sure that his child is safe and does not lack any of the little things that are necessities of life.

Anyone can be a Father but it takes someone very special to be a DAD.

It’s Hot outside Remember to stay cool and bring your pets inside.
