A Few Words From The Mayor

I would like to thank my wife and all of the Elected Officials, employees, businesses, Missouri Municipal League, friends, and residents for attending our Park Dedication and making it successful. We have three parks that are named after the Mayors who served the City of Vinita Park.

Our North County Police Cooperative took ten youths to Washington D.C. to the Black History Museum. I received a letter from the field division Kansas City office ATF for the NCPD joint investigation in the arrest of a homicide suspect, stopping a planned home invasion, and recovery of about 20 to 30 high power guns to keep our cities safe. Our Chief and the Police Department are doing a wonderful job.

I want to thank all our Elected Officials who attended the Missouri Municipal League 83rd Annual Conference. Some of the classes were as follows: CCFOA Advanced Academy, Communication for Results and Respect in the 21st Century and Managing Conflict from Higher Ground, Exercising Your Emotional Intelligence, Legislative Update, Build a Better Block, Planning & Zoning, Ten Commandments of Personnel Law, Best Practices in Police Outreach, Fundamentals of Municipal Government, Cyber Threats Facing Local Government and Federal Resources, Ethics Training in the Age of Fake News, Epidemic and Enhanced Opioid Surveillance in Missouri, Minimum Operating Standards for Municipal Courts, Sources of Revenue & Financing Alternatives and Marketing Your Destination. This training was good for all the cities that were in attendance to make our community a better place to live.

Property Assessed Clean Energy (PACE) Financing is a program that funds energy efficiency and renewable upgrades through a voluntary special assessment on your property. This annual special assessment to repay the financing will be placed on the County tax rolls and can be financed up to 20 years. PACE is one of the fastest growing methods of lending in the country.

If you have any questions about the program, please contact Energy Equity Funding at 314-499-8756.

If you would like to move, or have other problems with your property, please contact the City of Vinita Park.

We, the residents of the City of Vinita Park petitioned St. Louis County to resurface Hanley Road. We urge St. Louis County to allocate funding and making completing this project a high priority as soon as possible for the safety and security of all City of Vinita Park residents.

A Scholarship Education Fund is being created for our Vinita Park children. I am seeking committee members to develop the guidelines and other qualifying criteria for the children who can benefit. Please contact Marsha Pointer for more information at 314-423-0127. Let’s invest in our children because they are still our future.

All of our elected officials and employees believe in building a stronger community, engaging families, and success in children.

James W. McGee
Mayor/City Administrator
Happy Holidays Vinita Park!

Happy Thanksgiving and Holiday Vinita Park residents. Thanksgiving is a time to reflect on what we are thankful for this year when the world gets to see just how blessed and how workable we are giving thanks to what we have and not on what we want. It warms the heart to think of those who mean so much to us all year long. The emphasis is not on giving or buying, but on being thankful and expressing that appreciation to God and to one another.

Thanksgiving Poem

For each new morning, with its light, for rest and shelter of the night, for health and food, for love and friends, for everything my goodness sends. For flowers that bloom about our feet; For tender grass, so fresh, so sweet; For song of bird, and hum of bee: For all things Fair we hear or see, Father in heaven, we thank Thee! Have a wonderful and Safe Thanksgiving. (Ralph Waldo Emerson)

I attended the 2017 Annual MML training conference in Lake of the Ozarks September 10-13. This conference focused on Best Practices in Police Outreach, Using Retirement Benefits to Build Better Communities, and Financial Assistance Opportunities from the Missouri Department of Natural Resources and Environmental Improvement and Energy. These classes help me to understand the new trends of Government and help better our City and Community.

Also, I attended Lagers conference. This conference deals with retirement benefits for City employees.

Alderwoman Ora M. Stokes, Ward II

Hello Ward 2

My family and I were chosen to participate on the television show Family Feud in 2018. I will inform you all when it will air. We are very excited. Please wish us good luck.

Fall season has approached so make sure your smoke detectors are working with fresh batteries.

I would like to say thank you to Alderwoman Stokes for the wonderful Annual Senior Picnic we had last month in our newly renovated City Hall. Our Senior Picnic was a huge success and lots of fun. The food was great and I would like to thank the Mayor for doing the barbecue for us. I would like to thank our Public Works Directors Gerald French for the lovely music he played. These, if we enjoyed. Also, I would like to thank our Chief of Police and the North County Police Cooperative for helping with the picnic. Our wonderful Mayor James McGee, you just can’t say enough about him. He’s so helpful in keeping us all informed about the latest news and things going on in our City, great job Mayor. I would like to say thanks to our Tax Collector, Jeanette Carlino for the lovely basket she donated to us to raffle off filled with all kinds of house hold items. Congratulations to our senior Ms. Darlene Southord of 6031 Jackson St.

Senior Walk

Hello Neighbors

October is Energy Awareness Month

Energy Awareness Month is a great time to take action to reduce energy use, which often reduces costs, too. Below are a couple of easy tips to use around your home this fall.

LIGHTING EFFICIENCY:
- LEDS (light-emitting diodes) use 80% less energy than traditional (incandescent) lighting.
- Installing LEDs to reduce energy use and maintenance, and improve safety and light quality.

Use natural light
- Turn off lights when not in use.
- Use fewer light bulbs or fixtures.

Permits
- Please come to City Hall to secure the proper permits PRIOR to having any work done to your property. Doing so will prevent unnecessary delays and fines. If you are not sure if you need a permit PLEASE call City Hall at 314-428-7373 to inquire.

Occupancy Inspection and Permit Required
- It shall be unlawful for any person or family to occupy or for any owner or agent to permit the occupant of any building or dwelling of a unit, unless the inspection is complete and an occupancy permit has been issued. The occupancy permit shall not be issued until all violations on the property have been brought into compliance.

Street Sweeper
- Street sweeping will be the first Wednesday and Thursday of each month. Street sweeper will operate from April 1st through November 1st.

Tall Weeds & Grasses Prohibited

Section 215.110. Weeds, High Grass, Noxious Plants, Rank Weeds, Thickets or Other Vegetation
Failure To Keep Weeds, High Grass, Noxious Plants, Rank Weeds, Thickets and Other Vegetation Cut And Removed, A Nuisance. All persons owning or occupying any lot or tract of land in the City shall keep the weeds, high grass and other vegetation growing on such lot or tract of land under proper and reasonable control. Whenever such weeds, high grass or other vegetation shall attain the height of seven (7) inches, it shall be deemed a public nuisance. It is important to keep front and rear yards cut because tallgrass and weeds: Reduce adjacent property values and prevent neighbors from having full enjoyment of their property during spring and summer months, Attract vermin and insects creating a potential health hazard, Cause hay fever and other allergy problems, Create a potential fire hazard, Detract from the overall beauty and desirability of the City.

The City is authorized to enter upon any property to cut any grass and weeds on property and charge the owner for the cost of cutting as well as an escalating fine. The inspector will only send one notice; all subsequent notices will lead to the city to cut without further notice.

Yard Waste
- All Yard Waste should be placed in a designated yard waste can or brown yard bags for pickup. Yard Waste in plastic bags will NOT be picked up. Public Works will only pick up limbs that are knocked down during a storm and placed on the curb within 48 hours after the storm.

Reminder
- As we strive to keep our city Clean and Beautiful please do not place trash/yard waste/recycle receptacles on the curb the day before dusk of the evening before pick-up. Once the trash/yard waste/recycle receptacles have been emptied they should be removed from the curb the same day it was picked up. Failure to comply with the above could result in the resident receiving a summons to appear in court.

Grass Cutting
- Please remember to clean up after cutting grass. Do NOT leave grass in the street.

Thank you for helping to keep our city Clean & Beautiful.

Littering
- Please help us keep the City of Vinita Park clean. Please do not litter in our parks, streets, and bike/walk trail. The City of Vinita Park has asked that any report any littering to City Hall/PD.

Gerald B. French
Public Works Director

P.S. I would like to thank Ron and Lisa Kiemann for painting the boarded up doors and windows of our vacant homes.

Sincerely,
Rich Redel, Alderman Ward I

From my home to yours Happy Holiday Board President Alderman Celeste McGee, Ward 3

Hello Ward 3
Hi residents of Vinita Park!

Happy Fall!

The changing weather and the leaves changing makes us think of great things that are coming to Vinita Park.

Also if you are interested in volunteering to help plant new trees around our beautiful City, please contact me at City Hall or at home. We have 25 new trees to plant.
