The City of Vinita Park and Beyond the Backpack back to school event was a huge success. We had a total of 1,500 backpacks and 40 backpacks were left over. There were over 60 children who received haircuts, eye exams, and physicals. The children also enjoyed themselves while playing on the bubble bus, bounce house, and with the Elmo character. The parents were able to find various resources offered within the community. The Veiled Prophet Foundation presented a check to Beyond the Backpack for $5,000. This was our first event working together as a community. We are looking forward to an even better turn out next year.

Senate Bill 5 was sponsored by Senator Schmitt of Glendale Missouri. It passed with 100% of the votes in the Senate. Our Sena-tor Maria Chappelle-Nadal voted against our City. Our State Representative, Clem Smith and Joe Adams tried to speak on be-half of our community on how it would affect the residents in our area. Governor Nixon signed the bill into law.

Each City must be in compliance with about 13 standards. Each City must have or report the following: an annual audit, a detailed budget with revenues and expenses, refuse services with recycling, a comprehensive plan for the City, and a Capital Improvement Plan.

There are several more standards as well. The City of Vinita Park is in compliance of all these standards. Senate Bill 5 has more standards added to this bill that includes a 12.5% limit on court revenue for all of St. Louis County, including the North County citi-es, and all other cities and towns in the state including rural communities. In addition, citi-es that are patrolled by the St. Louis County Sheriff are not affected. The current laws say a City can keep 30% collected from court fines. The question is why is North St. Louis County be-ing reduced to 12.5% and other parts of the County and State can keep up to 20%. I will keep you informed about the impact of Sen-ate Bill 5 in the next newsletter.

Vinita Park Town Hall meeting will be on Thursday September 17th, 2015 at 6:00 pm at City Hall. We will be discussing Senate Bill 5, moving forward on funding for a New City Hall, Police Accreditation, and also moving forward with merging The Village of Vinita Ter-race with The City of Vinita Park.

All of our elected officials and employees believe in building a stronger community, engaging in families, and successes in children.
