On June the 9th, the City of Vinita Park hosted it’s 4th Annual Business Luncheon. That was a huge success. We had over thirty businesses in attendance, and we gave a visual of our City. Kevin Hall was our guest speaker and he gave insight on how to successfully run a business. Bodine received a business award for community service for the City of Vinita Park. There were also several other businesses that received awards for support of the Boys and Girls Club and the Breakfast with Santa Event.

I would like to thank Alderman Redel from Ward I, Alderman Stokes from Ward II, Alderman McGee, and Alderman Conner from Ward III for attending the Missouri Municipal League Elected Officials Training in Columbia, MO. The conference was an overview of municipal government, where the City fits in the Federal system, the roles of elected officials, conducting city business, budgeting, ethics, liability and the Sunshine law, economic development, personnel law, taxation, and revenue. The conference was very resourceful in providing ways to merge our communities together.

We have teamed up with the American Red Cross in reference to the Home Fire Preparedness Campaign. Home fires are becoming an increasing threat and there have been lives lost as a result. The goal of The Home Fire Preparedness Campaign is to save lives, reduce injuries, build a more resilient community through raising awareness, and community participation across St. Louis County. The American Red Cross has partnered with the fire departments, houses of worship, businesses, schools, and surrounding neighborhoods to create a local coalition which supports the

Home Fire Preparedness Campaign. As citizens, we have to take action within our home and community to keep our community safe and protect our family. Education plays an important role in the future and success of our children. We must think and act creatively to provide a safer learning environment. The Police Department and Normandy School District has come together to support the academic achievement of our children. Our children learn better in a safe environment. This emphasis on learning allows children to develop themselves, their families, and their community. Our reputation for policing in our community has allowed our officers to get to know the residents and their families in the City of Vinita Park. We will begin poling services for Westoll and also Vinita Terrace. If one City fails short, we all fall short. We must come together and build a stronger community so our residents can feel safe in their homes.

Vinita Park has teamed up with the Mid-City Junior Vikings with 7 ball teams. Registration begins July 1st through August 22nd, 2015 for grades K through 8. For more information contact Greg Robinson at 314-285-9138.

Our Police Department hosted a three on three basketball tournament between the Vinita Park Boys and Girls Club and The Westoll Boys and Girls Club. That was a great turn out. All of our elected officials and employees believe in building a stronger community, engaging in families, and success in children.

Independence Day to me means a day of freedom of life in the heart, body, and soul, the action, the spirit of men and so it must be earned daily and not taken for granted. Also, I’m so proud to be an American, land of the free home of the brave. May God Bless America.

“Peace cannot be kept by force; it can only be achieved by understanding” (Albert Einstein)

POLLICE DEPARTMENT NEWS

Greetings

The Police Department continues to handle complaints regarding speeding cars on Page. We will increase enforcement in the immediate future to try and gain compliance of the speed limit. The safety of other drivers and pedestrians is of the utmost importance. Our neighbor Vinita Terrace has accepted our proposal to provide police services for them. We will begin July 1st. Everyone is very excited to begin this new partnership.

As the weather warms up, please be aware of keeping your vehicles locked when unattended. Cars and stolen property from cars are often crimes of opportunity. Simple measures can help dissuade thieves from making you a victim.

Sincerely,
Chief Tim Swope
