Women Living Whole Monthly Event
“Are You a Diamond Part 2”
The Development phase made us exhale. I bet the Discovery and formed phase will make you want to re-examine who you have in your circle and who you need in your circle. When a woman compares herself to a diamond she is saying that she can withstand intense heat and pressure. The things in life that we encounter should not be seen as obstacles but opportunities. Everything we encounter is being used to shape us into who we are today. Come discuss with us this process so that you can walk in your freedom!

**I**
would like to congratulate all of the elected officials who won their positions. I ask that you all continue to work hard for our City, our residents, our businesses, and our employees. I want to thank Alderman Wanda Fairley for being the chairperson over the Easter Egg Hunt. It was very successful and it is getting better every year. I would also like to thank the 31 Vinita Park residents who traveled to Jefferson City on a yellow school bus to support our children. We spoke to the Department of Elementary and Secondary Education (DESE) and we let them know they needed to respect our voices and consider the Normandy School District plan. We are asking every tax payer in Vinita Park to join us in traveling to Jefferson City on May 20, 2014 to rally support at the DESE hearing for the Normandy School District. If the Normandy School District closes, our property values will drop. This is the time to stand together and support our children. For more information or to add your name to the list, contact City Hall at 314-428-7373. CLM located at 8502 Delport Drive is hiring for office, manufacturing, and warehouse positions.

I would like to thank Alderman Hayden and Officer Donaldson for taking our children to the zoo. They all had a great time. We will also be starting a chess club within the Boys & Girls Club soon.

Vinita Park’s Boys & Girls Club has teamed up with the Demetrious Johnson Charitable Foundation. With every event and activity the Demetrious Johnson Charitable Foundation hosts, our Boys & Girls Club will receive 30 tickets. Some upcoming events include going to see the Wizard of Oz play, the University Circus, Cardinals baseball games, Rams football games, and many more.

We still have boys and girls shoes available in sizes 1, 2, 7, and 8. We also have free office furniture available for our Vinita Park residents. Please call up to City Hall to put your name on the list for the shoes and furniture.

We are continuing the free bread on Fridays and Mondays. We’re asking that you continue to work together to make Vinita Park a strong community by engaging our families and successful children.

Hello Vinita Park Residents

I hope everyone’s year is going good. When it comes to our Boys & Girls Club, parental participation is lacking. Officer Donaldson has done an excellent job of taking our children on various field trips and introducing them to experiences they may not be familiar with. If we had more parental participation, some of these trips could actually become family time. Please support your children on the Boys & Girls Club outings. Your involvement would be greatly appreciated.

Thank you very much.

Hello Ward 2

Spring has sprung. It’s obvious by all of the beautiful budding trees, sprouting flowers, and green grass everywhere. So let’s get busy with the planting and show off those beautiful gardens. Our children were blessed with a beautiful Easter Egg Hunt and Easter Sunday. I want to say thanks to Alderman Fairley for the wonderful job she did with the Easter Egg Hunt. Congratulations to all of the children who won bikes and other prizes. We all had fun. Thanks to our wonderful Chef and his entire law enforcement crew for their wonderful service. I want to thank our Public Works Director Gerald French and his team for the fine job they are doing. It takes all of us working together to be successful.

I want to give thanks to all of our lovely seniors who came out to stuff the Easter Eggs for us. We appreciate all of you so much. Our last senior luncheon was May 8, 2014 at Noon at City Hall. The next Senior Luncheon will be held in July. I hope to see all of you there.

Congratulations to Mayor James McGee, Alderman Celeste McGee, Alderman Rich Redel, and Tax Collector Jeanette Carridine for winning their elected positions on April 8, 2014. Also, thank you to everyone who voted to re-elect me.

I look forward to another year doing lots of fun activities with our wonderful seniors. I am planning our first bus trip sometime this month and I will give you more information at a later date.

PUBLIC WORKS NEWS

Dead Trees & Limbs

We are having a DWI checkpoint in late May or early June. Keeping impaired drivers off the road makes it safer for law-abiding drivers and pedestrians.

Find a designated driver if you are looking for fun, and enjoy the time no parking will be allowed, signs to be placed throughout the city.

Reminder from Public Works

In an effort to keep our city clean and beautiful, it is sometimes necessary for our city inspector to issue Housing Code Violations. It is the inspector’s job to cite those who are in violation. This is not meant as an attack on our residents but as a firm reminder of what needs to be addressed by a resident in order to comply with our housing codes.

Our inspector will work with you and may even extend your time frame to complete your necessary work. The work MUST still be completed. Failure to respond to your notice unfortunately results in an appointed court date. If this happens, the notice is out of the inspector’s hands and into the courts which could result in possible fines and/or charges. So please, respond as soon as possible.

Bulk Trash Items

Please contact Republic Services at 636-947-5959 for the removal of any bulk trash items.

Storm Drains

At the request of MSD, all of our storm water inlets have been marked as a reminder that only rain water should go in the drain. In years past, it was common practice for residents to sweep debris along the curb into the drains. Some went as far as to dump their waste oil. The new mark- ers are there to remind us that what goes into these drains eventually ends up as our drinking water in our homes.

POLICE DEPARTMENT NEWS

Ours are continually working to encompass community policing. This week, we made 5 arrests for felony drug offenses. We are making sure word spreads to the drug dealers they are not welcome in Vinita Park.

Public Works has the street sweeper going strong. Most residents are getting the hang of the parking restrictions on Wednesdays and Thursdays for the sweeper. We also ask that everyone park their vehicles on the right hand side of the roadway. Parking on the wrong side of the road is hazardous for pedestrians and other drivers.

We are having a DWI checkpoint in late May or early June. Keeping impaired drivers off the road makes it safer for law-abiding drivers and pedestrians. Find a designated driver if you are consuming alcohol before traveling on the roadway. Getting behind the wheel when under the influence of drugs is also dangerous and unlawful.

We are switching dispatching services beginning June 1, 2014. The St. Ann Police Department will be providing dispatching for us. If you need the police and it is not an emergency, you can call St. Ann PD Dispatch at 314-427-8000. As always, if you have an emergency, please dial 911.

Lastly, congratulations to Officers Jesse Martin and Jeff Crouch. They have been assigned to the Bureau of Field Operations as Acting Sergeants. Sincerely,
