WORDS FROM THE MAYOR

The City of Vinita Park and the 24:1 Chiefs including the EMS and fire department have put together a critical response team to deal with man-made disasters, emergencies, and civil unrest to make our residents feel safe in the community and in their homes.

Emergency Preparedness: We have had over 125 elected officials and key staff complete NIMS (National Incident Management Systems) training required by FEMA.

The 24:1 Mayors and community had requested a town hall meeting with DESE Board on October 28, 2014 at the Pagedale City Hall at 6:30PM. The purpose is to get answers to important issues facing our children in the NSCB (Normandy School Collaboration Board). Such as,

1. Academic Achievement: What curriculum is being used? How not having AP and honors classes affect our points for accreditation? What part of the reformation plan developed by Dr. Ty is being used? When will you recruit experienced teachers?

2. Security: What is the plan for increasing/improving security in school/ buses? Are there any plans for the School Resource Officers?

3. Community engagement: Mayors and communities want, and need, updates on goals, progress and timelines.

I would like to thank all residents for showing up to the town hall meeting at the Pagedale City Hall.

The Vinita Park/Beverly Hills Citizen Police Academy started October 14, 2014. There was a great turn-out for the first class. This is a great opportunity for everyone to better understand the work of their police department. Classes are every Tuesday at 6:00pm. For more information contact Chief Swope at 314-428-7373.

Vinita Park Boys & Girls Club will be starting a boy scouting program. We want all our young people to be a part of the program to help them mature and be successful in life.

The 24:1 Local Municipal Partnerships has been selected to receive a 2014 Outstanding Local Governmental Achievement Award for Exemplary Intergovernmental Collaboration.

This award recognizes the efforts across 24 jurisdictions that pool all their resources and streamline services in ways that best serve our residents. The awards ceremony will be Friday, November 14, 2014 from 12:00pm to 1:30pm at the Saint Louis Hilton at the Ball Park.

Happy Thanksgiving to all residents, employees, and business of Vinita Park. Have a great holiday.

We ask that you continue to work together to make Vinita Park a strong community by engaging our families and successful children.

HAPPY THANKSGIVING VINITA PARK RESIDENTS
Thanksgiving is a time of the year when the world gets to see just how blessed and how workable we are giving thanks to what we have, and not on what we want.

It warms the heart to think of those who mean so much to us all year long. The emphasis is not on giving or buying, but on being thankful and expressing that appreciation to God and to one another.

THANKSGIVING POEM
For each new mornong with its light, for rest and shelter of the night,
For health and food, for love and friends, for everything thy goodness sends,
For flowers that bloom about our feet;
For tender grass, so fresh, so sweet;
For song of bird, and hum of bee;
For all things fair we hear or see, Father in heaven, we thank Thee! Have a wonderful and safe Thanksgiving (Ralph Waldo Emerson)

Celeste McGee 3rd Ward Alderwoman

HELLO WARD II SENIORS
Seniors, it has been a lot of fun working with you all this summer. We had a lot of fun and enjoyment during our gathering. I look forward for the same another year. We will now get ready for our last function which will be our Christmas celebration. We currently do not have a date but you will be informed. We will have our Christmas luncheon when the Public Works Department luncheon takes place. I do need all seniors who have birthdays from August thru December to call city hall and give Ms. Brown the date of your birthday. Thanks to all our businesses in Vinita Park for your contribution in participating in our Back to School Program. Because of you all, we were able to make so many of our boys and girls very happy.

Our next holiday will be Thanksgiving and I’m sure we all are looking forward to that day, when families all get together for a lovely feast and enjoy one another. I pray we all remain healthy and be blessed to do so.

HELLO VINITA PARK RESIDENTS
I hope everyone had a happy and candy filled Halloween!

As usual the Public Works Dept. has been hard at work maintaining our city. We are looking at ways to stop the erosion of the mulch and wood chips in the Tot Lot. Consideration is being given to possibly extending the wall to trap the mulch.

If you have been to Forrester Park after a hard rain you know the ball field looks like a lake. The Public Works Dept. has been applying dirt to level off the field as much as possible. City Hall and Public Works have been hard at work trying to secure sponsorship of the field. We’ll let you know when that happens.

Whenever you get a chance, stop at Bira City Hall and Public Works have been hard at work trying to secure sponsorship of the field. We’ll let you know when that happens. You will get good information on how the police officer works for you.

We recently had a public forum (Oct. 9) to discuss the park grant for which the city applied. Mr. French showed the plans for the proposed upgrades to the city park. When finished the upgrades for the park will be enjoyed by all residents who come.

Please come out and enjoy one of our parks that we are so fortunate to have in our city.

Remember to help keep our parks clean.
Thank You.

**Code Enforcement- A Division Of Public Works 2014 Annual Code Enforcement Survey**

As of August 9, 2014, we have our inspectors walking street by street looking at every home for code compliance.

The inspectors are looking at the condition of driveways, walkways, fences, windows, roofs, trims, exterior walls, gutters, porches, decks, handrails, doors, address numbers, flaking, peeling paint, sheds in the rear of the yards, and making sure they are in good condition.

The inspectors are citing all overgrown vegetation, vacant properties, and those properties that are unfit for occupancy and that should be demolished. An advisory notice has been, or will be, posted on your door.

You have 30 days to bring your home into code compliance.

Some of the homes will take longer due to the nature of the violation. The city is willing to work with each property owner as you make repairs to your home.

Those failing to make repairs will receive citations/summons to appear in the Vinita Park Municipal Court. We are focusing on the health, safety, and welfare of our beautiful community.

We need your cooperation as we move forward in renewing our city property values. Property maintenance increases your property value.

**Trash Containers**

Please remember to remove your trash/ recycle/yard waste containers from the curb the same day service is rendered to avoid receiving a citation.

In addition, you may contact Republic Services (636-947-5959) to receive a trash container.

**Leaves/Yard Waste**

Yard waste pickup will be every Friday. Please use the yard waste container or brown yard waste bags. Please do not rake leaves into the streets.

**Parks**

Park restrooms will close November 1, 2014 and will reopen April 1, 2015.

**Street Sweeper**

The street sweeper will operate from April 1st through December 1st.

**Snow Removal**

As we approach the winter months, please take notice of no parking signs to allow thorough plowing of all streets.

**Trees & Limbs**

Please call Ameren UE (1-800-552-7583) if any limbs on your property are on electrical lines.

**Occupancy Inspection and Permit Required**

It shall be unlawful for any person or family to occupy, or for any owner or agent therefor to permit the occupancy, of any building or dwelling until the inspection is complete and an occupancy permit has been issued.

The occupancy permit shall not be issued until all violations on the property have been brought into compliance.

Gerald B. French, Sr.
Public Works Director

**POLICE DEPARTMENT NEWS**

The Citizens Police Academy is two weeks in and has been going great. Attendees were at the St. Louis County Police Academy last week and went over firearms safety and other operational matters. There were 20 people at the last class and we hope to get even more at the next. Classes are every Tuesday at 6pm, at Vinita Park City Hall or Beverly Hills City Hall.

We even offer you a ride if it’s at the Beverly Hills City Hall. Contact the City Hall to sign up!!

We have had a few vehicle break-ins in the last few weeks. Please remember to lock your vehicles and keep an eye out for you and your neighbor’s property.

Let the Police know anytime you see someone suspicious in the neighborhood. The 24:1 Critical Response Team is formed and operational.

Officers are attending training and equipment is being procured. This unit will respond to any critical incidents that occur in the area.

Making our communities safer is key to this endeavor. All of the 24:1 municipalities have pooled their resources to make this unit possible. Thanks to everyone involved.

Due to the possibility of continued problems due to the events in the Ferguson area, we will not be scheduling a movie night for November.

If the situation changes, we will try to squeeze one in whenever possible.

Col. Tim Swope, Chief of Police
Vinita Park Police Department
